# Business Case Template · Advanced version

A business case template helps you justify an investment by comparing options, their costs, benefits and risks, and making a clear recommendation backed by numbers.

## Business case · Make the recommendation easy to approve

| Section | Guidance | Your content |
|---|---|---|
| Executive summary | Recommendation and headline numbers. | |
| Background and problem | What needs to change and why now. | |
| Objectives | What success looks like. | |
| Options considered | Including 'do nothing'. | |
| Recommended option | Why it is best. | |
| Costs and benefits | See the Financials tab. | |
| Risks | Key risks and mitigations. | |
| Timeline | Major milestones. | |
| Governance | Sponsor and decision-makers. | |
| Recommendation and decision | What you ask the board to approve. | |
