Competitor Analysis Template · Expert version

A competitor analysis template helps you compare competitors side by side, on product, pricing, audience, strengths, weaknesses and positioning, so you can find gaps and sharpen your own strategy.

How to use this template

1. Choose three to five direct and indirect competitors.
2. Research each one and fill in the Comparison tab.
3. Set weights for what customers value most on the Scoring tab.
4. Score each company from 1 to 5; weighted scores calculate automatically.
5. Summarise gaps and opportunities and act on them.

Tips

- Use customer reviews, pricing pages and sales calls as sources.
- Include indirect competitors and substitutes.
- Be honest about your own weaknesses.
- Refresh the analysis every six months.
