# Agile Project Plan Template · Advanced version

An agile project plan template captures the essentials of an Agile project in a lightweight form: vision, goals, team, epics planned by Sprint, release dates, ceremonies and key risks.

## Agile plan · Plan epics by Sprint; adapt every Sprint Review

| Sprint | Dates | Sprint goal | Epics / features | Planned points | Release? | Status |
|---|---|---|---|---|---|---|
| Sprint 1 | 2 – 13 Mar | Users can log in securely | Login, password reset | 26 | No | Done |
| Sprint 2 | 16 – 27 Mar | Users can view invoices | Invoices list, PDF download | 28 | No | In progress |
| Sprint 3 | 30 Mar – 10 Apr | Admins can manage users | User admin, exports | 30 | Yes (R1) | Not started |
| Sprint 4 | 13 – 24 Apr | Help content in-app | Help centre | 28 | No | Not started |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
