Profit and Loss Statement Template · Beginner version

A profit and loss statement template shows whether a business made money over a period: revenue, minus cost of sales, operating expenses, interest and tax, with margins calculated for you.

P&L · Enter revenue and costs; profits and margins calculate automatically

Line	This period ($)	Prior period ($)	Change ($)	Change (%)
Revenue	250,000	220,000	30,000	14%
Cost of sales	100,000	92,000	8,000	9%
Gross profit	150,000	128,000	22,000	17%
Salaries	70,000	66,000	4,000	6%
Rent and utilities	12,000	12,000	0	0%
Marketing	18,000	15,000	3,000	20%
Other operating expenses	9,000	8,500	500	6%
Operating profit (EBIT)	41,000	26,500	14,500	55%
Interest	2,000	2,200	-200	-9%
Tax	8,000	5,500	2,500	45%
Net profit	31,000	18,800	12,200	65%
Gross margin	60%	58%		
Net margin	12%	9%
