Marketing Plan Template · Expert version

A marketing plan template sets out your marketing strategy for the year: goals, audience, positioning, channel strategy, budget, KPIs and a quarterly plan, so marketing spend supports business goals.

How to use this template

1. Start from business goals and set measurable marketing goals.
2. Define personas and positioning.
3. Choose channels and allocate the budget by quarter.
4. Set KPIs for each channel.
5. Turn each quarter into campaigns and review results monthly.

Tips

- Spend where your audience already is.
- Keep 10-15% for experiments.
- Review channel ROI each quarter.
- Align with sales on lead definitions.
