# Product Roadmap Template · Advanced version

A product roadmap template shows where a product is heading: themes and initiatives laid out by quarter, linked to goals, with owners and status, so teams and stakeholders share one view of priorities.

## Roadmap · Now, next, later: shade the quarters each initiative runs

| Theme | Initiative | Goal / outcome | Q1 | Q2 | Q3 | Q4 | Owner | Confidence | Status |
|---|---|---|---|---|---|---|---|---|---|
| Self-service | Customer portal | Cut support calls 30% | ■ | ■ | | | Product | High | In progress |
| Self-service | In-app help centre | Raise CSAT to 8.5 | | ■ | ■ | | Product | Medium | Not started |
| Growth | Partner integrations | 20 new partners | | | ■ | ■ | Partnerships | Medium | Not started |
| Platform | Move to cloud hosting | 99.9% uptime | ■ | ■ | ■ | | Engineering | High | In progress |
| Platform | Single sign-on | Enterprise readiness | | | | ■ | Engineering | Low | Not started |
