Go-to-Market Plan Template · Beginner version

A go-to-market plan template helps you launch a product or enter a market with a clear strategy: who you sell to, how you position and price it, which channels you use, and the launch tasks and metrics.

GTM strategy · Go-to-market strategy

Element	Guidance	Your content
Product / offer	What you are launching.	
Target market and ICP	Segments and ideal customer profile.	
Problem and value proposition	Pain solved and why you win.	
Positioning and messaging	Category, differentiators, key messages.	
Pricing and packaging	Plans and price points.	
Channels and sales motion	Self-serve, sales-led, partners.	
Launch goals and metrics	Leads, revenue, adoption targets.	
Risks	What could go wrong.
