# Project Deliverables Template · Beginner version

A project deliverables template lists every output the project must produce, with an owner, due date, acceptance criteria and approver, so everyone agrees what 'done' means.

## Deliverables · Agree acceptance criteria before work starts

| ID | Deliverable | Owner | Due date | Status |
|---|---|---|---|---|
| D1 | Requirements specification | BA | 13 Feb 2026 | Done |
| D2 | Design pack | Design lead | 6 Mar 2026 | In progress |
| D3 | Portal release 1 | Tech lead | 30 Apr 2026 | Not started |
| D4 | Training guide | Trainer | 24 Apr 2026 | Not started |
