# Training Plan Template · Advanced version

A training plan template organises who needs to learn what, how, by when and at what cost, so employee development is planned, budgeted and tracked rather than ad hoc.

## Training plan · Plan, budget and track learning

| Employee / group | Role | Skill or goal | Training activity | Method | Start | End | Cost ($) | Owner | Status |
|---|---|---|---|---|---|---|---|---|---|
| New project managers | PM | Scheduling and risk | PMAI certification courses | Online | 1 Apr 2026 | 15 May 2026 | 10 | PMO lead | Not started |
