Business Case Template · Beginner version

A business case template helps you justify an investment by comparing options, their costs, benefits and risks, and making a clear recommendation backed by numbers.

Business case · Make the recommendation easy to approve

Section	Guidance	Your content
Executive summary	Recommendation and headline numbers.	
Background and problem	What needs to change and why now.	
Objectives	What success looks like.	
Options considered	Including 'do nothing'.	
Recommended option	Why it is best.	
Costs and benefits	See the Financials tab.	
Risks	Key risks and mitigations.	
Timeline	Major milestones.	
Governance	Sponsor and decision-makers.	
Recommendation and decision	What you ask the board to approve.
