Change Request Template · Beginner version

A change request template captures a proposed change to scope, schedule or budget, its impact and the decision, so changes are controlled rather than creeping in unnoticed.

Change log · Log every change request and its decision

CR #	Date raised	Raised by	Change description	Decision
CR-001	10 Feb 2026	Sales lead	Add export to CSV on invoices page	Approved
CR-002	18 Feb 2026	Security	Add multi-factor login	Approved
CR-003	1 Mar 2026	Marketing	Change brand colours	Deferred
