5-Year Plan Template · Beginner version

A 5-year plan template turns a long-term vision into goals, initiatives and measurable targets for each year, so the business or team knows where it is heading and how progress will be judged.

5-year plan · Long-term direction; review annually

Area	Year 1	Year 2	Year 3
Vision (where we will be)			
Strategic goals			
Key initiatives			
Products / services			
Markets / customers			
People and capabilities			
Revenue target ($)	500,000	750,000	1,100,000
Growth vs prior year		50%	47%
Key metrics			
Major risks
