Project Tracker Template · Beginner version

A project tracker template keeps every task and project in one list with owners, deadlines, priority, status and progress, so you can see what is on track, what is late and what needs attention.

Tracker · Filter by project, owner or status; Days left updates every day

Project	Task	Owner	Priority	Start	Due
Website refresh	Finalise sitemap	Ana	High	2 Mar 2026	6 Mar 2026
Website refresh	Write homepage copy	Ben	High	4 Mar 2026	13 Mar 2026
