Work Request Form Template · Beginner version

A work request template standardises how people ask your team for work: one intake form with the details you need, and a log to prioritise, assign and track every request.

Request log · Log every request from the intake form

Request #	Requester	Description	Due date	Priority	Status
WR-001	Sales	One-page product sheet	13 Mar 2026	High	In progress
WR-002	HR	Laptop and accounts for new starter	9 Mar 2026	High	Not started
WR-003	Support	Short how-to video for portal	27 Mar 2026	Medium	Not started
