Agile Project Plan Template · Beginner version

An agile project plan template captures the essentials of an Agile project in a lightweight form: vision, goals, team, epics planned by Sprint, release dates, ceremonies and key risks.

Agile plan · Plan epics by Sprint; adapt every Sprint Review

Sprint	Dates	Sprint goal	Epics / features	Status
Sprint 1	2 – 13 Mar	Users can log in securely	Login, password reset	Done
Sprint 2	16 – 27 Mar	Users can view invoices	Invoices list, PDF download	In progress
Sprint 3	30 Mar – 10 Apr	Admins can manage users	User admin, exports	Not started
Sprint 4	13 – 24 Apr	Help content in-app	Help centre	Not started
