Agile Release Plan Template · Beginner version

An agile release plan template maps features to upcoming releases and Sprints using your team's velocity, so you can forecast what will ship when and manage stakeholder expectations.

Release plan · Forecast capacity assumes a velocity of 30 points per Sprint: change it to yours

Release	Target date	Sprint	Feature / epic	Story points
R1	30 Apr 2026	S1	Password reset	13
R1	30 Apr 2026	S2	Invoice downloads	18
R1	30 Apr 2026	S3	Admin exports	21
R2	30 Jun 2026	S4	Help centre	25
R2	30 Jun 2026	S5	Notifications	30
