Kanban Board Template · Beginner version

A Kanban board template visualises work as cards moving through columns, with work-in-progress limits that keep flow smooth. This version includes a board view and a card list with dates for tracking cycle time.

Board · Move cards right; respect WIP limits

Backlog	To do (WIP 5)	In progress (WIP 3)	Review (WIP 2)	Done
Update pricing page	Write case study	Redesign onboarding email	Q1 report	Customer survey
Partner webinar	Fix broken links	SEO audit		New logo files
Translate help centre	Plan April newsletter
