Project Plan Template · Advanced version

A project plan template brings the essentials of a project into one place: goals, scope, deliverables, tasks, owners, dates and milestones. Use it to plan the work, agree it with stakeholders and track progress.

Project plan · Tasks, owners, dates and dependencies

ID	Phase	Task / deliverable	Owner	Start	End	Duration (days)	Depends on	Status	Milestone?
1.1	Initiation	Project charter approved	Sponsor	5 Jan 2026	9 Jan 2026	5		Done	Yes
