Sprint Retrospective Template · Beginner version

A sprint retrospective template gives your team a simple structure to reflect on the last Sprint: what went well, what didn't, what to try, and the improvement actions you will take next.

Retrospective · Sprint 14 · 3-16 March

Category	Observation	Votes	Discussion notes
Went well	Daily Scrums finished on time	3	
Went well	Pairing on the payments story	4	
To improve	Stories arrived in planning without acceptance criteria	6	Refine earlier
To improve	Build pipeline failed twice	5	
Ideas	Try a mid-Sprint refinement session	4	
Shout-outs	Thanks to Chen for fixing the test data	2
