# Gantt Chart Template · Advanced version

A Gantt chart template shows tasks as bars on a timeline so you can see what happens when, how long it takes and where work overlaps. This one pairs a task list with a 12-week grid you shade in.

## Gantt chart · Shade the weeks each task runs (■) and mark milestones (◆)

| Task | Owner | Start | End | Days | W1 | W2 | W3 | W4 | W5 | W6 | W7 | W8 | W9 | W10 | W11 | W12 |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
