RAID Log Template · Beginner version

A RAID log template keeps a project's Risks, Assumptions, Issues and Dependencies in one place with owners, ratings, actions and due dates, ready to review in every status meeting.

RAID log · Risks, Assumptions, Issues and Dependencies in one log

ID	Type	Description	Owner	Due	Status
R1	Risk	Billing API may not be ready by 1 Feb	Tech lead	30 Jan 2026	In progress
A1	Assumption	Support team available for UAT in March	PM	5 Feb 2026	Not started
I1	Issue	Test environment unstable	Ops lead	20 Jan 2026	In progress
D1	Dependency	Single sign-on from IT security project	PM	27 Feb 2026	Not started
