# Agile Release Plan Template · Advanced version

An agile release plan template maps features to upcoming releases and Sprints using your team's velocity, so you can forecast what will ship when and manage stakeholder expectations.

## Release plan · Forecast capacity assumes a velocity of 30 points per Sprint: change it to yours

| Release | Target date | Sprint | Feature / epic | Story points | Cumulative points | Forecast capacity | On track? | Risks / notes |
|---|---|---|---|---|---|---|---|---|
| R1 | 30 Apr 2026 | S1 | Password reset | 13 | 13 | 30 | Yes | |
| R1 | 30 Apr 2026 | S2 | Invoice downloads | 18 | 31 | 60 | Yes | |
| R1 | 30 Apr 2026 | S3 | Admin exports | 21 | 52 | 90 | Yes | Depends on API |
| R2 | 30 Jun 2026 | S4 | Help centre | 25 | 77 | 120 | Yes | |
| R2 | 30 Jun 2026 | S5 | Notifications | 30 | 107 | 150 | Yes | New team member |
